

EC8 Air Freshener

Super concentrate air freshener and fabric deodoriser

Concentrated air freshener and fabric deodoriser. Contains a patented ingredient which counteracts malodours and enables the perfume to deliver a long-lasting fragrance.

Available in a portable, easy to handle, 1 litre bottle with 10 ml dosing cap.

1 litre of EC8 makes 50 trigger spray bottles of air freshener solution.

- Formulated for freshening the air and deodorising fabrics.
- Contains an appealing, long-lasting, fragrance, with notes of lime, jasmine and rose.
- Ideal on fabrics which can not be cleaned in a washing machine, such as curtains, soft furnishings and carpets.
- Non-flammable formulation
- Concentrated: low dosage, very economical in use.
- Peel and reveal multi-language label.
- Colour coded, screen printed trigger spray bottles available.

DOSING METHOD:

Dispense the specified amount of product by pushing the button once on the e:dose wall dispenser to dose 10 ml or by using the 10 ml dosing cap on the 1 L bottle.

AIR FRESHENING:

Add 2 x 10 ml dose to 600 ml water in an EC8 trigger spray bottle.

Spray high into the air, away from face (add extra doses to overcome stronger malodours).

FABRICS:

Add 2 x 10 ml dose to 600 ml water in an EC8 trigger spray bottle.

Spray lightly and evenly onto fabric.

ON DELICATE FABRICS, TEST ON A HIDDEN AREA FIRST.

DO NOT SPRAY ON LEATHER, SUEDE OR SILK OR NEAR FOOD. AVOID SPRAYING ON HARD SURFACES.
