

Rinse Aid Extra

For automatic machines

Concentrated low foaming surfactant to promote the rapid drying of crockery and kitchen utensils.

Supplied in a natural see-through container to easily check volume.

Specially formulated for use in hard water conditions.

- For use in all single and multi-tank automatic dish and glass washing machines.
- Provides brilliant sparkling, streak free results.
- Eliminates water spotting and improves drying of glassware, crockery and kitchen utensils.
- Contains ingredients to help prevent the formation of scale during the rinse cycle.
- For best results use in conjunction with Dishwash Extra.
- Ideal for use after Combi Oven Cleaner in combination ovens to achieve the ultimate clean.

AUTOMATIC MACHINE:

Dispense into automatic dish or glasswash machine through an electric dispenser at a ratio of 1 - 2 ml per litre, or in accordance with the machine manufacturer's instructions.

NOT TO BE USED FOR HAND DISHWASHING OR IN DOMESTIC MACHINES.
