

Bleach

General purpose

Extremely versatile general purpose product.

Keeps toilets, drains and sinks clear of bad odours, waste matter and bacteria.

Ideal for soaking cloths and mops.

- Suitable for wiping down washable hard surfaces and sanitising crockery.
- Easily removes tannin stains from teacups and teapots.
- For use in washrooms, toilets and kitchens.
- If used undiluted, product provides 50,000 parts per million available chlorine.
- Available in a thickened formulation with added perfume, sold as CYCLONE.

SINKS, TOILETS AND DRAINS:

Use undiluted.

GENERAL CLEANING AND DISINFECTING:

Dilute upto 1:125 parts water (40 ml per 5 L).

SOAKING MOPS AND CLOTHS:

Dilute 1:250 parts water (20 ml per 5 L).

Soak for 30 minutes and rinse with clean water.

Please take care when handling this product to avoid spillages on skin and clothing. Do not use on silk, wool, coloured materials, leather or garments with a special finish. If you have any doubts please contact your distributor or our technical department.
