

Oven Cleaner

Heavy-duty cleaner

Powerful and very effective, thickened, foaming, heavy-duty oven cleaner for cleaning the interior of enamelled ovens and surfaces, griddles and cast iron hobs.

Removes the most stubborn baked-on grease and carbon.

The foam clings to vertical surfaces giving a longer contact time for better cleaning.

- Ideal for the deep cleaning of ovens.
- An extending trigger is supplied in each box of 2 x 5 litre.
- Low odour unperfumed formulation.

OVEN AND GRIDDLE CLEANING:

Warm the griddle or oven to 40 - 45°C, then switch off appliance. Carefully spray undiluted OVEN CLEANER onto surface. Start at the back of the oven and work forwards.

Leave for 10 - 20 minutes. Agitate with brush or scouring pad. Rinse off with clean water and allow to air dry.

NOT TO BE USED ON THE FOLLOWING:-

The exterior of ovens, aluminium, painted, easy clean or self-clean surfaces.

750 ml

Order Code: A071AEV
Pack: 6 x 750 ml

5 L

Order Code: A071EEV2
Pack: 2 x 5 litre

PRODUCT INFORMATION:

Appearance: Clear yellow viscous liquid

Odour: Characteristic

pH - undiluted: 13.8

Shelf life: 3 years
