

Crusader Fabric Conditioner

For Industrial and professional use only

With dual encapsulation technology, to keep fabrics smelling fresher for longer

Leaves cotton and polyester cotton less creased and easier to iron. Reduces static in synthetics.

Supplied in a natural see-through container to allow a visual check on the volume.

- Contains an appealing and long lasting perfume.
- Phosphate free, kinder to the environment.
- For use in 'on-premise' laundry installations in the hotel and healthcare industry.
- For best results use in conjunction with Evans CRUSADER LAUNDRY LIQUID.

LAUNDRY MACHINE:

Crusader Fabric Conditioner should be dosed into the final rinse of the laundry programme at 5mls per kg of dry fabric.

For larger machines it should be dispensed via a suitable dosing pump.

Alternatively, it may be poured into the dispensing drawer.

DO NOT POUR DIRECTLY ONTO FABRICS.
