

Quality Control Technician

Thanks to our continued success, Evans Vanodine has an opportunity for a Quality Control Technician, within our Quality department to test our products in accordance with the highest quality standards. The successful candidate will work alongside our R&D, Production and Process departments, and will need strong communication and organisational skills to effectively support the function.

Evans Vanodine is an expert manufacturer of hygiene chemicals, devoted to quality and innovation, exporting to over 80 countries worldwide. We are a family business with family values which have guided us for over 100 years. Our greatest strength and asset is our people, and as part of #TeamEvans you'll be joining a friendly, collaborative workplace with opportunities to develop and grow.

Main Duties and Responsibilities

- Accurate and timely sample analysis and recording of test results
- Conducting audits on filling lines and recording results
- Assisting with recording and investigating non-conformances
- Investigating out of spec results and performing relevant calculations
- Weighing dyes and raw materials for Production
- Conducting calibrations and cleaning of laboratory equipment
- A variety of other duties relevant to the role.

Experience & Qualifications

- GCSE (or equivalent) in Science, Mathematics and English
- Experience in a Quality Control environment

What we offer

As part of the Evans family, you can expect a competitive salary and the opportunity to embark on a fulfilling career. In addition, we offer a comprehensive benefits package including:

- Great work life-balance thanks to our 4-day week (Mon – Thu)
- 23 days holiday + bank holidays (converted to hours based on a compressed 4-day week)
- Attendance voucher scheme – up to £375 per year in Love2Shop vouchers to reward attendance (applicable after 12 months' service)
- Employee assistance programme – access professional support for personal and work-related challenges
- Company pension – including employer contributions up to 4.5%
- On-site canteen – a variety of hot and cold meals available daily.
- Free parking

Evans Vanodine is conveniently located just off Junction 29 of the M6, making it ideal for those commuting from Preston, Chorley, Blackburn etc.

Hours of work

Monday – Thursday 7:00am – 4:30pm Total: 36 hours per week

Salary: £22,500, rising to £23,000 on successful completion of 6-month probation.
