

Crusader Pro Sour

For industrial & professional use only

An acidic formulation for use in the final stage of the wash system to render the wash solution to a neutral or mildly acidic state.

Helps to reduce water consumption by minimising the number of rinses required.

Supplied in a natural see-through container to allow a visual check on the volume.

- Liquid formulation for automatic dosing in 'on premise' laundry installations.
- Reduces the pH of the rinse solution to improve brightness of the linen.
- Eliminates the risk of skin irritation caused by residual alkaline salts in the fabric.
- Enhances overall performance of Crusader Fabric Conditioner.

LAUNDRY MACHINE:

This product should be used in conjunction with the Evans Crusader Pro Laundry Liquid Range.

This product should only be used through a suitable automatic dispensing system.

Consult Evans Pro Laundry Process Guide for rates of addition.

RELATED ITEMS:

- Crusader Pro Liquid.
