

Easy Shine™

Polish & cleaner

Versatile, multi use floorcare product which provides excellent results on a variety of floor surfaces.

Suitable for use as a polish, cleaner & floor maintainer.

Use undiluted to provide a durable slip resistant dry bright finish.

- For polishing & maintaining a variety of floors including vinyl, rubber, terrazzo, marble & sealed surfaces.
- Restores the gloss when diluted for use in a damp mopping system.
- Responds extremely well in conjunction with a high speed floor machine in a spray cleaning system.
- Coverage per 5 litres - 400/500 sq.metres for 1 coat.

POLISH:

Ensure floor is dry, clean & neutral.

Use undiluted.

Pour polish into clean bucket or tray, alternatively pour directly onto floor in a thin line.

Place clean mop or applicator into polish & spread thinly & evenly in WEST TO EAST direction.

Leave to dry for approximately 30 minutes.

Apply a further coat thinly & evenly at right angles to first coat (i.e. NORTH TO SOUTH).

Leave to dry for approximately 30 minutes.

RESTORE:

Dilute 1:10 parts cold water (500 ml per 5 L).

Damp mop floor.

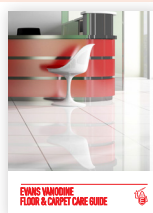

MAINTAIN:

Dilute 1:60 with cold water (8 ml per 500 ml) in a spray bottle.

Spray floor lightly, burnish to a shine, in conjunction with a high speed floor machine & polishing pad.
