HAND, HAIR, AND BODY CARE

Orange & Neroli

Hand wash/Hair and body wash

- Moisturising, clear amber liquid for washing hands.
- Also available as a hair and body wash.
- Produces a rich, creamy lather with a thorough cleansing action.
- Contains a refreshing fragrance.
- Suitable for use in cartridge or bulk fill dispensers.
- The free-standing 500 ml bottle can also be secured in a stainless steel wall bracket.

Black Pepper & Bergamot

Hand wash/Hair and body wash

- Moisturising, clear purple liquid for washing hands.
- Also available as a hair and body wash.
- Provides a rich, creamy lather with a gentle cleansing action.
- Contains a contemporary fragrance.
- Suitable for use in cartridge or bulk fill dispensers.
- The free-standing 500 ml bottle can also be secured in a stainless steel wall bracket.

Eucalyptus & Aloe

Hand wash

- Moisturising, pearlescent liquid for washing hands.
- Provides an excellent cleansing action, with a rich, creamy lather.
- High levels of moisturisers, including aloe vera, for hydration and moisturisation.
- Contains a delicate fragrance.
- Suitable for bulk fill dispensers.
- The free-standing 500 ml bottle can also be secured in a stainless steel wall bracket.

HAND CARE

Pink Pearl™

Hand, hair and body wash

- Attractive pearlescent liquid for washing hands, hair and body.
- Excellent cleansing action with added moisturiser to help protect the skin.
- Generates a creamy lather with a long-lasting fragrance for all washrooms.
- Suitable for bulk fill dispensers.

Citrus Foam

Hand and body wash

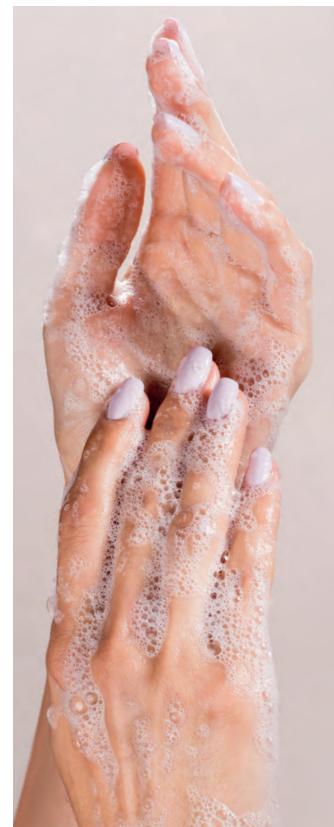

- Economical, foaming hand and body wash which generates an instant soft and silky cleansing foam.
- Mild and gentle with added moisturiser to protect the skin.
- Attractive and invigorating perfume.
- 1 L cartridge provides over 1,600 doses.
- Suitable for use in a foaming cartridge or foaming bulk fill dispenser.

Trigon®

Unperfumed hand wash

- High-quality, unperfumed hand wash.
- Mild and gentle to the skin, suitable for frequent hand washing.
- Added moisturiser to protect hands.
- Unperfumed, suitable wherever food is handled and prepared.
- Suitable for use in cartridge or bulk fill dispensers.
- The 500 ml free-standing bottle can also be secured in a stainless steel or white plastic coated wall bracket.

HAND DISINFECTION

Trigon® Plus

Unperfumed bactericidal hand wash

- Bactericidal hand wash.
- Ideal for frequent hand washing.
- Added moisturiser to protect hands.
- Ideal in healthcare, nursing homes and wherever cross-contamination is possible.
- Kills bacteria; passes EN 1276, EN 13727, and EN 1499.
- Suitable for use in cartridge or bulk fill dispensers.
- The 500 ml free-standing bottle can also be secured in a stainless steel or white plastic coated wall bracket.

Trigon® Foam Plus

Unperfumed bactericidal foaming hand wash

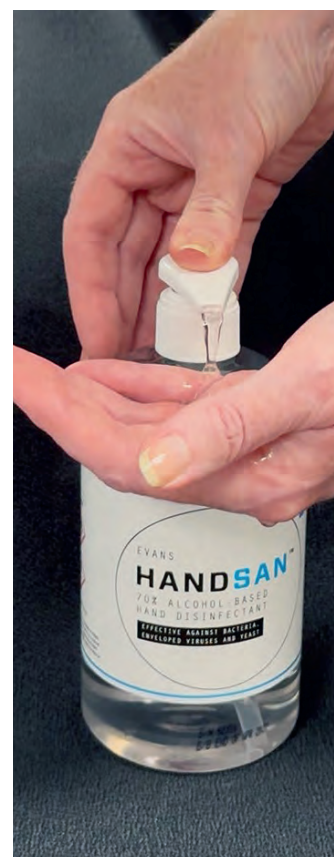

- Foaming bactericidal hand wash.
- Ideal for frequent hand washing.
- Added moisturiser to protect hands.
- Ideal in healthcare, nursing homes and wherever cross-contamination is possible.
- Kills bacteria; passes EN 1276, EN 13727, and EN 1499.
- Suitable for use in a foaming cartridge or foaming bulk fill dispenser.

Handsan™

70% alcohol-based hand disinfectant

- Quick and effective, alcohol-based, hand disinfectant with added moisturiser to maintain skin condition.
- Suitable for use before, in-between or after patient care, and wherever food is handled, prepared or served.
- Rapidly evaporates from hands, leaving no residue or odour.
- Kills bacteria; passes EN 1276 with a 30 second contact time, and passes EN 1500, EN 13727 and EN 14476.
- Suitable in cartridge or bulk fill dispensers.
- The 500 ml free-standing bottle can also be secured in a stainless steel or white plastic coated wall bracket.

SKIN CARE

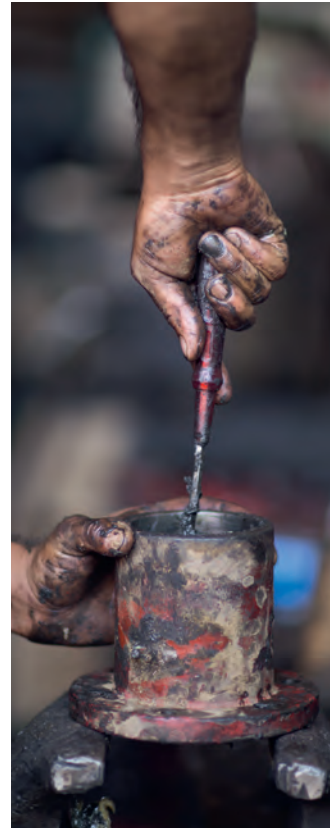

Carehands

Universal barrier and moisturising cream

- Multi-purpose, unperfumed, non-greasy barrier and moisturising hand cream.
- Skin protection for both wet and dry working conditions.
- The added glycerine provides an excellent after work skin moisturiser.
- For use in garages, workshops, printers, warehouses, transport, farms, general industry, kitchens and wherever food is handled and prepared.
- The 500 ml free-standing bottle can be secured in a wall bracket, or product can be dosed directly from the 5 L bottle using a pelican pump.

Citrand™

Heavy-duty hand gel with olive seed

- Perfumed hand cleaning gel with sustainably sourced olive seed.
- Contains glycerine for added skin protection.
- Removes ingrained oil, grease and grime.
- Solvent-free with a neutral pH.
- For use in garages, workshops, warehouses, builders yards, construction sites and all general industry.
- Suitable for use through the Evans bulk fill dispenser or directly from the 5 L bottle using a pelican pump.

DISPENSERS AND BRACKETS

Evolve Dispenser

Bulk fill or cartridge

- Choice of dispenser to suit your needs.
- Suitable for liquid or foam soaps.
- Modern, ergonomic, easy clean design to minimise dirt traps.
- Product ID labels available.
- Cartridge dispenser - quick, easy and mess free re-loading of both liquid or foam hand wash or alcohol hand rub.
- Bulk-fill dispenser - refillable 900ml capacity, for liquid hand wash or alcohol hand rub with a 2ml pump, or foam hand wash with a 0.6ml pump.

MP Dispenser

Modular dispenser

- Multi-purpose, refillable dispenser for liquid hand wash or gels.
- 2 L capacity with 3 ml pump.
- Ideal for use with **Carehands** or **Citrand**.
- Strong, durable, easy-clean design.
