

Sirtan Liquid

Liquid wax polish

Top quality solvent based liquid floor wax for use on unsealed wooden floors.

Penetrates the surface to help protect & preserve the wood.

Burnishes to a deep rich gloss & slip resistant finish.

- Manufactured using high quality hard wax.
- Produces a rich natural finish.
- Coverage per 5 litres - up to 200 sq. metres for 1 coat.

POLISH:

Ensure floor is dry & clean.

Shake container well before use.

Use undiluted. Apply a thin even coat with mop or applicator & allow to dry.

Burnish to a lustrous finish using a standard speed floor machine & a tan polishing pad.

MAINTENANCE:

Sweep floor to remove dust & debris.

If the floor is very dirty, damp mop with VERSATILE or similar hard surface cleaner.

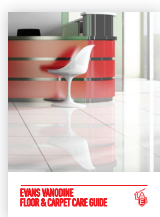

Remove scuff marks & restore gloss by machine burnishing using a standard or high speed machine in conjunction with an appropriate polishing pad.

If the response is poor, it maybe necessary to apply another coat of SIRTAN LIQUID.

NOT RECOMMENDED FOR RUBBER, THERMOPLASTIC, VINYL, ASPHALT & OTHER SOLVENT SENSITIVE SURFACES.
