

Staying COVID-19 Secure

We confirm we have complied with the Government's guidance on managing the risk of COVID-19.

Five steps to safer working together:

- We have carried out COVID-19 risk assessments and shared the results with our staff
- Cleaning, handwashing and hygiene procedures are in line with guidance
- Where possible staff work from home
- We have taken all reasonable steps to maintain social distancing in the workplace
- Where social distancing isn't possible, all reasonable steps have been taken to reduce the transmission risk
