

Evans Vanodine is an expert in the manufacture of hygiene chemicals, devoted to quality and innovation, exporting to over 80 countries worldwide. We are a family business with family values which have guided us for over 100 years.

Thanks to our continued success, we are actively seeking an experienced, reliable, and professional warehouse operative with strong time management and problem-solving skills and a proven ability to work well in a team. The role requires attention to detail and a commitment to our high quality and Health & Safety standards. Previous experience in a warehouse environment is essential, as well as a current FLT licence. REACH license is preferable, but training can be provided.

Main duties and responsibilities include:

- Picking of customer orders using RDT device.
- Packing, wrapping and palletising of chemical products.
- Loading of vehicles using FLT and PPT.
- General housekeeping duties, ensuring work areas are kept clean and tidy.
- Assisting with a variety of other warehouse duties.

Hours of work: Mon – Thu 16:30 – 00:00
 Fri 14:00 – 20:15
 Includes 2 x paid 15min breaks

Interested applicants should apply in writing with a current CV to pyarwood@evansvanodine.co.uk.
